WHAT WE DO.

Iowa Rotocast Plastics, incorporated in 1986, is an established manufacturer and supplier of merchandising equipment for the grocery and c-store industry. The IRP family of brands is divided into three main product categories: RotoTough™ products that include ice-down merchandising solutions and case stackers; wire racks and electronic refrigeration. Our equipment meets or exceeds required industry regulation and is NSF and UL approved.

HAND SANITIZERS

RECYCLE BINS

FABRICATED KIOSKS

A person is standing in a modern office environment, using a floor-standing hand sanitizer dispenser. The dispenser is a tall, black, rectangular unit with a white bottle of sanitizer mounted on top. The person is wearing a dark t-shirt, blue jeans, and brown shoes. The background shows a glass door and a wooden floor. The text "HAND SANITIZERS" is overlaid on the image in white and orange.
