# ABOUT IRP

## HISTORY

Iowa Rotocast Plastics, incorporated in 1986, is an established manufacturer and supplier of merchandising equipment for the food and beverage industry. IRP caters to beverage brands and foodservice and hospitality groups, as well as working directly with stadiums, venues, and arenas to fulfill year-over-year needs.

## PRODUCT LINES

The IRP family of brands is divided into three main product categories: RotoTough™ products that include ice-down merchandising solutions and case stackers; wire racks and electronic refrigeration; and IRP's fabricated food & beverage equipment built for on/off premise. IRP equipment meets or exceeds required industry regulations and is NSF and UL approved.

# ROTOTOUGH PRODUCTS

IRP RotoTough™ products are the most durable merchandisers in the field, many of our original products built in 1983 are still in use today across the country.

All IRP products are designed and manufactured with extreme pride in Decorah, Iowa. Being "Made in the USA" ensures our quality and commitment to excellence.

With state-of-the-art printing technology on site, IRP is capable of customizing your RotoTough™ units to maximize your brand exposure.

## ARCTIC

### DIMENSIONS

# RACKS & STACKERS

Your product is unique and you need a distinct way to draw attention to your brand. We provide the custom product displays to get your product noticed.

Environmentally safe finishing process generating negligible volatile organic compounds (VOCs), powder coating provides one of the most economical, longest lasting, and most color-durable quality finishes available on virtually any type of metal. Powder coated surfaces are more resistant to chipping, scratching, fading, and wearing than other finishes.

## INTERCHANGEABLE RACK

# FABRICATION CARTS

IRP has significant experience in the design and fabrication of carts and kiosks in professional or collegiate sports venues, stadiums, arenas and resorts. IRP carts and kiosks can be created to your exact specifications. All our carts can be designed with a combination of food & beverage serving options, or as mobile retail or P.O.S. stations.

The current IRP manufacturing plant based in Decorah, IA is now over 200,000 square feet, with production running 24 hours a day, five days a week. All elements of design and production are kept in-house, allowing maximum efficiency and quality control.
